
About Absolute Audio Visual Solutions

We are an established Audio Visual Hire, Live Events and Staging Company based in North Hertfordshire, and have been trading for over 16 years.

We are a fantastic company to work for and are now looking to expand our team and continue to grow and develop our business. We strive to offer excellent customer service to all of our clients.

Audio Visual Technician - Job Description

Working as part of a busy audio visual rental and technical event production department, you will be a key member of the technician team, delivering the highest standards and working to promote the business.

Your duties will include: -

- Technical Support across all Audio-Visual Disciplines
- Onsite support for projects of all sizes, including Technical Set-up, Client liaison, Rehearsals & Show operation, De-Rig
- Dealing directly with the Client and being a central point of contact.
- Assist in planning and pre-event testing (where required) of full AV systems
- Preparation of equipment prior to despatch
- Checking of equipment on return from rental
- Delivery and collection of equipment
- Assisting with Management of rental stock
- Identifying equipment shortages and reporting to the warehouse manager
- Loading and Unloading of vehicles
- Maintenance and servicing of company equipment
- Covering quick turnarounds – evenings and weekends as and when required

This is not exhaustive and is in no particular order, but gives a clear example of the role.

Skills

- Have a passion for all things AV
- Ability to work under pressure, and to tight timescales
- Work as part of a team as well as individually
- Have excellent communication skills
- Be sufficiently flexible and mobile to travel as required within the UK, Europe and beyond
- Have a "Can Do" Attitude to the work and the workplace.
- Have a full clean UK driving license

Job Type: Full-time, Permanent

40 hours per week plus overtime

Benefits

- Company events
- On-site parking
- Annual bonus scheme
